Home MARYLEBONE

BAR & NATURAL KITCHEN

Home bar and natural kitchen Marylebone, is located in the heart of Marylebone Village. Delivering a fresh and healthy food menu from breakfast to dinner alongside nutritious smoothies, an extensive wine list, crisp home brewed beers and house infused spirits and cocktails. The infusions are created in our lab kitchen in Marylebone, and go through a variety of processes which allow the alcohol to infuse with various botanicals, plants, fruits & spices thereby creating a unique flavour.

Each infusion is bespoke to Home Marylebone and each cocktail unique in its ingredients.

Home Marylebone also serves a wide range of craft beers which is regularly rotated to offer our customers the opportunities to taste the latest varieties. Including our own Home lager brewed in our cellar in Marylebone.

For wine lovers we have extensive grape varieties to suit every palate, with an exclusive list hand picked by us, and our dedicated wine suppliers Bibendum. To top it all off and soak up some of that liquor we make some fantastic food, skilfully crafted by ex Le Caprice executive chef Reuben. Using only the finest organic, ethically sourced produce, and the knowledge gained from a lifetime of being top of his game.
